

SHOW FEST

SHORT FILM FESTIVAL

~ SCREENING IN HD & 35MM

RITZ CINEMA, 39-47 ST PAULS ST, RANDWICK

This is the way cinema is meant to be experienced!

Now in its seventh successful year, Show-Fest International promises a night of wonderful entertainment.

See up-and-comers appear in shorts alongside veterans such as Roy Billing, Lynette Curran, and Heather Mitchell.

This year's festival will be hosted by TV presenter and 2009 Cleo Bachelor of the Year contender Ben Damon. Ben won the Best Film and Audience Choice Awards at Show-Fest 2009.

Our trademark Show & Tell will give festival-goers front row access to the filmmakers and actors who will talk about their films on the night.

This is a night no-one can afford to miss!
